WHAT IS A ROTARIAN

A Rotarian is someone who, through his efforts:

- Digs wells from which he will never drink
- Restores eyesight to those he will never see
- Builds houses he will never live in
- Vaccinates children he will never meet
- Plants trees he will never sit under
- Educates children he will never know
- Feeds hungry people regardless of colour or creed

Our new Rotarian, Janet Baumgart told us her story last Monday, thank you for sharing with us. May the above words inspire you and all of us to go the extra mile and make the extra effort.
