## Weekly newsletter for the Rotary Club of White River

29<sup>th</sup> June 2015  
Edition 40

From the pen of the editor...

Another Rotary year has come and gone. We are now looking forward to a new year, a new president and a new board.

It is human nature, when one is confronted with change to look at what lies ahead with new enthusiasm and new ideas and I hope everyone is raring to go and ready to support Patrick and his board.

We might be continuing with many of our old projects, but I am sure Patrick has some new ones in the pipeline.

Thank you, George, for your leadership over the past year and for all the good times we shared as a club. You can now sit back, put your feet up and say "That was a job well done!"

Looking forward to a "new look" Rotavision from July and finding some new material to put into the weekly publication. Contributions from members are always gratefully received!

The rather sorry looking pig received a few last contributions to Polio plus

- Hein: Played a substitute for his hockey team and no sooner was he on the field than the team scored a goal. He is chairing the Membership committee and already two members have been inducted
- Brian glad to be on the same team and committee as Hein
- Gavin is glad that Warren is a member
- Erik is happy that he started processing his nuts today
- Mike sad that Mike the pig is no longer the same, but happy that so much money was raised
- George glad that people came to sit at his table!
- Leon happy that Dean came home and then went off on an inter-provincial tour.

*Laughter*  
*always the best medicine*

With a man of Scottish descent coming into the chair, I thought a few Scots jokes were appropriate!

**KILT**  
IT'S WHAT  
HAPPENED  
TO THE LAST PERSON  
WHO CALLED IT A SKIRT.
